**SAP America, Inc. Names Vision33 Inc.
A SAP® Business One Reselling Partner of the Year for 2007**

Irvine, California – January 23rd, 2008 – SAP America, Inc., subsidiary of SAP AG (NYSE: SAP), has named Vision33 (Vision) a winner of three of its 2007 Small and Midsize Enterprise (SME) Business Partner Awards, recognizing the top-performing partners in the United States within the SAP® PartnerEdge™ program, an innovative global framework that recognizes and rewards partners for their commitment and success in serving small businesses and midsize companies.

Vision was named a **SAP® Business One Reselling Partner of the Year for 2007**, recognizing Vision as the partner with the greatest amount of sales of SAP® Business One solutions within customers' extended ecosystems.

Vision also received the **Excellence in Learning Award**, honoring the partner with the greatest investment in training resources and the best demonstration of training expertise through sales and customer wins.

Finally, Vision was named to the **Top 10 Club** as one of the Top 10 SAP® Business One Reselling Partners in 2007, recognizing partners with the highest sales and custom additions for the year, with consideration given to customer satisfaction, evangelism and the overall business relationship.

SAP presented the awards in Las Vegas, Nevada during its 2008 Field Kick Off Meeting (FKOM), an annual gathering of the company's field employees and partners to learn about SAP's sales methodology, best practices and new developments regarding its complete roster of business solutions for small businesses and midsize companies, including SAP® Business One, SAP® Business All-in-One and the recently announced SAP® Business ByDesign™. This year's FKOM hosted more than 600 partner attendees, a 10 percent increase over the previous year's attendance.

The winners were selected from the company's wide-ranging North American partner base of SAP® Business All-in-One providers and SAP® Business One partners, nominations were evaluated on numerous criteria to determine winning partners in each product category.

In discussing the company's recent achievements, Mr. Rooney noted, "2007 has been a breakout year for Vision33 and our SAP® Business One Practice. The world class Vision33 Sales and Consulting team of professionals has truly executed this year and we will continue delivering value to our customers through 2008 and beyond. We will also maintain our focus on the SAP SME portfolio and continue to leverage our success to date for future growth in 2008 and beyond
